Dear Peter

Wellington Regional Council : Forest Working Plan

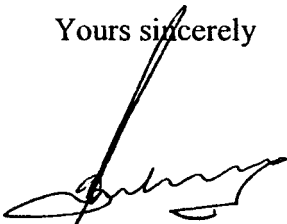

In July 1996 this Council submitted a Forest Working Plan for the period 1996 – 2005 for ministerial approval pursuant to Section 49 (2) of the Wellington Regional Water Board Act.

Recently it was brought to our notice that a copy of this Plan could not be found within the Ministry and an “approved” plan had not been returned to this Council.

It is intended to resubmit the Plan for approval by the Minister but some four years have passed since it was prepared. It would seem prudent to update the Plan and amend its validity period to 2000 – 2010.

The Plan will be forwarded to your Ministry as soon as the updating is completed.

Yours sincerely
