Breakdown of Passenger Transport Contract Estimates

1. Further to my request dated 16/2/00 for a breakdown of the (estimates) figure for contracted bus and rail services for 1999/2000, what is that breakdown?
2. Can it be provided so that the figures can be directly compared to a breakdown of the equivalent estimates figures for 2000/01? If so, what are the figures?
3. Would you arrange for these questions and the answers to be part of the Order Paper for the Passenger Transport Committee meeting scheduled to take place on Thursday 11 May 2 000 please?
