	TOTAL	\$147500	

Notes

1. This flood damage schedule should be read in conjunction with the scheme 2004/2005 works programme,
2. With the exception of Wyeth, the flood damage works summarise the additional work required at sites that have been worked on as **part** of this years annual scheme works,
3. The amounts in the table are over and above the schemes annual agreed budget.
