## Hui a Ara Tahi - Presentation

### 1. Purpose

To advise Ara Tahi of the progress of the PowerPoint presentation to Council on the history of Ara Tahi.

### 2. Significance of the decision

The matters for decision in this report do not trigger the significance policy of the Council or otherwise trigger section 76(3)(b) of the Local Government Act 2002.

### 3. Background

It was suggested at the Hui a Ara Tahi in November 2005 that a presentation be put together that outlined the history of Ara Tahi, its purpose, expectation and aspirations for the future. It was intended that this presentation would then be made to full Council, senior management and all staff.

Jack Rikihana, Tom Paku and Te Waari Carkeek were chosen by Ara Tahi to work with Council staff to draft this presentation.

### 4. Comment

#### 4.1 Process to date

A draft presentation was created by council staff based on material approved by Ara Tahi and already in use on the Greater Wellington website. This has been further enhanced by Te Waari Carkeek and Jack Rikihana, and has now come back to the wider forum for comment and additional information. A copy of the presentation is provided in **Attachment 1**.

#### 4.2 Request for information

Part of the presentation allows for each individual iwi authority to add information about themselves. Ngāti Raukawa and Te Atiawa ki

Whakarongotai have already been included to provide a guide. The development team would appreciate your consideration and additions. Material should be given to Te Waari Carkeek.

#### **4.3 Delivery and Timing**

Two decisions remain for Ara Tahi. The first is who should make the presentation and secondly when should this be done? The next Council meetings are 12 September, 17 October and 14 December.

### **5. Communication**

There are no matters in this report that require further communication.
