Dear Shannon

Eastern Bays Shared Path project: Further Information Request (s92) and s95E RMA

I refer to your letter dated 29 May 2019 requesting further information under section 92(1) from both Greater Wellington Regional Council (GWRC) and Hutt City Council (HCC) and for an additional request for affected party approval under s95E from GWRC.

Please find the attached memorandum outlining our responses to the requested information under the headings that are set out in your letter. Where necessary we have added more detail under a series of annexures attached to the memorandum.

Please note that further investigations are currently being undertaken on shoreline foragers, penguins and seagrass. We are planning to get a response to you early in August.

I have also attached a written approval form from CentrePort as requested. HCC Parks will provide comments during the internal feedback process. We have yet to receive written approval from Mr and Mrs Thomas and will follow up with them again.

Yours sincerely
