Request for information 2023-044

I refer to your request for information which was received by Greater Wellington Regional Council (Greater Wellington) on 8 March 2023. You have requested the following:

“Could you please provide a list of titles and copies of work produced for GWRC by iwi in 2020/21 and 2021/22 as referred to in LGOIMA 2023-008?”

On 5 April 2023, we advised you of the extension to the timeframe for making a decision on your request to 19 April 2023, in order to consult with our mana whenua partners.

Greater Wellington’s response follows:

We have provided the information for all of Greater Wellington Regional Council’s six mana whenua partners for two financial years - 1 July 2020 to 30 June 2022. It’s important to note that some key projects involve working with iwi over more than one financial year and the final product falls outside this period covered by your request.

We have withheld information under section 7(2)(a) of the Local Government Official Information and Meetings Act 1987 (the Act) to protect the privacy of natural persons, including that of deceased natural persons.

We have withheld the Cultural Impact Assessment for the Kenepuru investigation as this material is currently before the courts and is therefore withheld under section 6(a) of the Act in order to avoid prejudice to the maintenance of the law.

There are a number of attachments in scope of your request. We are still preparing these for release, we will send these to you no later than Friday 28 April 2023.

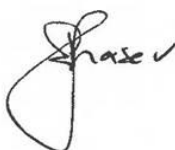

Finally, we have made some amendments to the table that we released in our response to your request 2023-008. These amendments have been made as relevant information was received after we responded to your initial request. In addition, during the transfer of the data Table from EXCEL to the final Word version, the Ngā Hapū o Ōtaki Spent detail was inadvertently dropped off.

The amended information is highlighted in the attachment.

If you have any concerns with the decision(s) referred to in this letter, you have the right to request an investigation and review by the Ombudsman under section 27(3) of the Local Government Official Information and Meetings Act 1987.

Please note that it is our policy to proactively release our responses to official information requests where possible. Our response to your request will be published shortly on Greater Wellington's website with your personal information removed.
