

Flood Protection Research Privacy Statement

What this statement covers

Greater Wellington has created this privacy statement to explain how Verian Group (101 Lambton Quay, Wellington) collects and manages (on Greater Wellington's behalf) your personal information collected through this survey.

What personal information do we collect and for what purposes?

Greater Wellington is collecting your age range, gender, ethnicity, location, home ownership status, if you live near a river, and your opinions and comments on Greater Wellington's flood protection activities. Completing the survey is voluntary. The purpose for collecting this information is to understand public awareness and perceptions of Greater Wellington's flood protection activities to help improve communications and raise awareness and understanding of Greater Wellington's flood protection work.

Using your information

We will only collect your personal information:

- For the purposes we collect that information (see above)
- For other reasons permitted by the Privacy Act 2020 (e.g. with your consent, for a directly-related purpose, or where the law permits or requires this use).

Providing your information to others

Verian will analyse your collected information to produce a report containing aggregated non-personal information and may include some verbatim comments (which will be anonymised as far as possible). The report may be shared with Greater Wellington's working partners in flood protection. A summary of the report may be published on Greater Wellington public news channels.

Further Information

For further information about how Greater Wellington handles your personal information including how to request a copy please refer to [Greater Wellington's Privacy Statement](#).
