Request for information 2024-179

I refer to your request for information dated 11 July 2024, which was received by Greater Wellington Regional Council (Greater Wellington) on 30 July 2024. You have requested the following:

“Could you please give the statistics for the bus stops along the Quay, from Sar Street to before the Railway Station? I ask because the stops 5490 and 5025, which are planned for removal, are used by a number of commuters who walk from Wadestown down Sar Street. It would be good to have a sense of the relative usage”

On 31 July 2024 an officer emailed you to clarify which measures for the data you were interested in. On 31 July 2024 you responded to clarify your request to:

- “two weeks by day (to give me a sense of each stop by day). The weeks to be in mid June 2024 please (so not including King’s birthday or Matariki)
- each week for four months, and those monthly totals. Could the months please be March to June 2024

It would also be really handy if you could include a simple map of where the stops are”.

Greater Wellington’s response follows:

Please see **Attachment 1** for the data requested on bus stops along Thorndon Quay. We have provided data for two series of stops:

- Northbound: Stops 5018, 5020, 5022, 5024, 5025, and 5026
- Southbound: Stops 5488, 5490, 5494, 5498

These are all stops on Thorndon Quay, from Capital Gateway through to the Overbridge to Hutt Road from Aotea Quay.

For these series of stops, we have provided in the different tabs of the attachment:

- Daily total of passenger boardings and passenger alightings for each stop for the two weeks from Monday 10 June 2024 through Sunday 23 June 2024.
- Weekly total of passenger boardings and passenger alightings for each stop for all weeks in March through June 2024, from the week beginning 26 February 2024, through to the week beginning 24 June 2024.
- Monthly total of passenger boardings and passenger alightings for each stop for March through June 2024

Please note that in attachment an 'X' indicates where there are five or less passengers on board. These figures have been removed from the spreadsheet in order to protect the privacy of people boarding and alighting the services at certain stops given that this information taken together with other information could be used to identify travel patterns of individuals. This information is withheld under section 7(2)(a) of the Local Government Official Information and Meetings Act 1987 (the Act), to protect the privacy of natural persons, including that of deceased natural persons.

Please see **Attachment 2** for a map showing the stops for which data has been provided. Green dots indicate stops serving northbound services, and orange dots indicate stops serving southbound routes.

If you have any concerns with the decision(s) referred to in this letter, you have the right to request an investigation and review by the Ombudsman under section 27(3) of the Local Government Official Information and Meetings Act 1987.

Please note that it is our policy to proactively release our responses to official information requests where possible. Our response to your request will be published shortly on Greater Wellington's website with your personal information removed.

Nāku iti noa, nā

Samantha Gain
